HEALTHY HERITAGE WALKS

Barnsley: Stroll around the Statues

Fancy learning about the history of Barnsley? There's a lot of statues outside Barnsley Town Hall, and they all tell a part of Barnsley's story. This small walk will explore the history of Barnsley and Barnsley Town Hall. It will then go through each of the statue and the history it represents.

This short walk (just under a mile and around 45 minutes) will start at the War Memorial outside the town hall, with numerous car parks and bus stops nearby. It will be all public paths and flat surfaces, thus we encourage those from all ages and abilities to join us, as it will be accessible by pushchairs and wheelchairs.

Booking is essential, but all walks are free. This walk will be taking place at Saturday 3rd of June, 10:30am, meeting at War Memorial outside Barnsley Town Hall (S70 2TA)
